

Güpo®flex Leak-seeker

With Güpo®flex Leak-seeker you test:

- Fittings
- Pressurized containers
- Soldered, screwed and welded joints
- Pipes
- Tubes
- Hoses
- Valves

Shortly said: everything that has to be airtight.

Güpo®flex Leak-seeker finds leaks fast: sophisticated, reliable, safe.
Just spray it on the suspected spot. When bubbles appear, leakage is found.
It is handy, clean, quick and easy to use.

Güpo®flex Leak-seeker is **non-combustible**, **non-corrosive** and **non-toxic**.
